

COLE-MIERS COURIER

Moving On and Moving Forward

Well, all of the celebrations of the accomplishments of last VFW Year, are over. We must find a way to achieve the same successes as the 2020-2021 year. Time to buckle up your boot straps and let's continue to move forward. No better time than the present to start reaching out to our

annual and life members and ensure they are healthy, they are still with us, and let them know what we are up to. The hall is coming along, should have the new floor in September, and will be able to rent the hall out after that. If you are not an active member

of the post, please try to become one. Just come to an event once a month, the monthly meeting is the place to start. The success and failures of the Post are not just on the Commander and the elected leadership, it falls on all of us.

Quartermaster's Corner

Another August.... Another devastating Hurricane. Luckily we dodged this bullet.... But our Brothers and Sisters on the East side of the State were not so fortunate. 16 Years to the day Katrina took aim at the area New Orleans is once again reeling from a heavy hitter. We won 2 national community Service awards with our disaster relief efforts last year. Let's make sure we lend a hand to our neighbors after this one! They will need us to have their backs!

Membership- All State/ All American And what it means to us. All State & All American are the highest honors a Post can receive and it all starts with Members! Which coincidentally is how we get more help and volunteers for our Programs and events! This year to reach All State and All American we must reach 100% Plus 1 Member with 85% retention! We are currently sitting at 9.63% of 578 total for last year with 5 New Members and 1 reinstate.

Now is the time to check on our Members and see if they need anything. Remind them when our monthly meeting is and what events we have on the calendar near-term. I have a list available if anyone would like to help me contact our members! I have faith in our team to not only make our Post the best Post in the Department but also the Nation!

In order to do that, we have to remember to include our Auxiliary and make sure they have the help they need to support us!

Shane Fowler Quartermaster
