Volunteering

As you all know, the Veterans of Foreign Wars is an organization made up of volunteers. Generally, nobody is getting paid to do things that need to be done, day I, and day out.

As a member, we ask all the time for help or assistance with running an event, working Bingo, or cooking food. There are

a couple of reasons we do this. First, we need the help, and having the same people doing everything, can cause burn out. Secondly, we want you to be a part of what we are doing, or trying to do here at the Post. Third, when you volunteer, even once or twice a month, it gives you a sense of pride and

accomplishment. So, if you have not been participating, how about making that change this year. We appreciate everything you do for the Post and our Veterans, but especially, what is being done in partnership with our local community.
